

HOSTEL

There is an excellent women's hostel in the Campus which is far beyond the imagination of any student in providing comfort, care & quality food. The hostel building has a carpet area of 50,000 sft. which is aimed to accommodate only 300 students. There is a Games Hall, T.V. & Reading Room Computer Room with Internet (Wi-Fi) facility. Hot water for bath & Cool Mineral Water for drinking are provided. Study hours are supervised by faculty, who also stay with the students. The food includes "Separate Menu" for Vegetarians, Non-Vegetarians & Eggarians.

EXTRA CURRICULAR ACTIVITIES

Co-Curricular & Extra-curricular activities are prerequisite in any Educational System to channel the extra energy in the youth. Talent & Skills in Sports & Cultural Activities are abundant in the youth. we encourage them to participate in competitions at college, university, state, national & international levels. It is not only to bring out the best out of our students but also to inculcate Team Spirit, Leadership & Sportsmanship. Our Students won several Trophies in different Tournaments including the Trophy in the Inter University Cricket Tournament held at G. Pulla Reddy College during 2012. Our B.Tech student, Mahaboob Basha Won Gold Medal in Asian Taekwondo Competitions during 2011 & 2012. We have NSS Units to inculcate social obligation among students.

Placement & Training Cell

Our Placement Cell is the Biggest one with all the corporate facilities to make the Company HRs feel cool & comfortable. We have excellent placement record. Each year at least 50% of our students get excellent opportunity in MNCs. Career Oriented Training to our students is given by our full-time trainers & experts from industry.

We train the students in the following areas :

CLASS ROOMS & SEMINAR HALLS

Our Class Rooms are spacious, well ventilated, equipped with modern learning facilities like LCD Projector & Computers. Our placement training rooms & Seminar Halls are fully air-conditioned & well equipped with mic, loud speakers, cordless microphones & LCD projectors.

FACULTY

The mediocre teacher tells,
The good teacher explains,
The Superior teacher demonstrates,
The Great teacher inspires.
Our teachers are gifted to inspire the students to aim high.

TRANSPORT

It's Rightly said that the human development is linked with mobility and transport. Our institutions have the best transport system - College Buses being operated from all corners of Kurnool (on nominal charges), R.T.C. Buses, 2,3&4 wheelers & even trains. Train facility is an asset to our students.

WIFI

We are one of only 2 institutions in Kurnool, which provides wifi facility in the campus. Our professional students can access unlimited internet for their academics, projects & researches.

REPUBLIC DAY ENGINEERS DAY

All important National Events are celebrated, so that the young citizens would appreciate the Valuable Contributions of all great Personalities & would try to imbibe such Qualities.

LABORATORIES

All our laboratories are established, maintained & Kept updated as per AICTE & JNTUA Norms. Our Computer Labs are equipped with more than 1000 computers connected to Internet LAN & uploaded with latest learning software like SPSS, CIMM & Capital line 2000. Our Electrical, Mechanical, Civil & Machine Labs are fully loaded with expensive & heavy machines to impart practical & up to date knowledge to our future Engineers.

SEMINARS & WORKSHOPS

Talented & Gifted students from different colleges are brought to a common platform where they can exhibit their skills & exchange their knowledge & Ideas. By this, the students improve Communicative Skills & Leadership Qualities, which are essential to prosper in life.

DISCIPLINE

Discipline is the heart & soul of every healthy society or individual. At the same time, it should not become an obstacle in the all round development of an Individual. Here we must remember the words of Mahatma Gandhi "Discipline without freedom produces slaves & freedom without discipline produces Brutes" so, we implement the Principle of adopting a harmonious blend of discipline & freedom, which helps the students to grow into strong minded professionals.

LIBRARY

The Knowledge houses of our institutions contain more than 70,000 books. We also provide a large number of national & international journals. Our Libraries provide serene, peaceful & meditative ambience for the students to have fruitful study hours. Each of our 5 institutions have separate centralized libraries. Our resourceful faculty inspire the students to take up self study, which is the ultimate source of knowledge for professional students.

RESEARCH LABS

We established up to date Research Labs, where our Faculty & students can put their innovative ideas into Application & help in the enhancement of Research
